

## 對面的女孩看過來

duì miàn de nǚhái kàn guò lái  
Girl over there\* – look over here  
Sung by Richie Ren.

This song is great for CAL students. The vocab. is not too difficult and it includes some nice use of directional compliments eg. ‘look over here... look up, look down’ etc.

It’s sung by the Taiwanese singer Richie Ren 任賢齊。

\* 對面 duìmiàn literally means ‘opposite’. To translate ‘girl opposite’ sounds a bit clunky in English. Or maybe it’s a girl who lives opposite? We went for ‘Girl over there’.
