Lost and Found.

Today, we went on a trip to a country park. The park was very large and beautiful, with flowers and trees all around. Birds were singing in the trees and fish were swimming in the streams.

We sat on the grass to have a picnic, eating and talking about all kinds of things. We were so happy!

In the afternoon, everyone was getting ready to go home. Teacher Lin said: "I have found some things, please come here to claim them."

The students felt in their pockets, checked their backpacks, and then said: "Teacher Lin, we haven't lost anything!"

Teacher Lin, held up a few transparent plastic bags full of soda cans, banana peel and candy paper. She said: "I found these things on the grass. Who do they belong to?"

Several classmates blushed and took back their "lost property". After they had put the items into the rubbish bin, they went home happily with everyone else.
