

## CHAPTER 19

亡羊補牢 mong4 joeng4 bou2 lou4

Mend the sheep pen after the sheep is lost  
After the sheep has run away, you can still mend the sheep pen  
(better late than never/it's never too late to try)

Quizlet flashcards for the text can be found here:

| 發現  | faat3 jin6    | he found, he discovered |
| 原來  | jyun4 loi4    | it turns out...         |

### Paragraph 2

|      |                     |   |
|------|---------------------|---|
| 終於   | zung1 jyu1          | finally, at last                            |
| 明白   | ming4 baak6         | understood                                  |
| 問題   | man6 tai4           | problem                                     |
| 就    | zau6                | then – quite quickly                        |
| 要    | jiu3                | must, should                                |
| 及時   | kap6 si4            | immediately                                 |
| 補救   | bou2 gau3           | fix, sort it out                            |
| 修    | sau1                | to repair                                   |
| 修一修* | sau1 jat1 sau1 *    | *see Grammar note 2                         |
| 得    | dak1                | Grammatical: used to show an adverb follows |
| 結結實實 | git3 git3 sat6 sat6 | solid, sturdy                               |
| 從此   | cung4 ci2           | from then on                                |
| 再    | zoi3                | again                                       |
| 沒有   | mut6 jau5           | did not                                     |
| 被    | bei6                | by (by the wolf)                            |

### Grammar Note 1

Using 吧 baa1 at the end of a sentence softens a command.

|         |                                      |                           |
|---------|--------------------------------------|---------------------------|
| 堵上那個窟窿吧 | dou2 soeng5 naa5 go3 fat1 lung1 baa1 | go and plug up that hole. |
| 去看看吧    | heoi3 hon3 hon3 baa1                 | go and take a look        |

|    |           |     |
|----|-----------|-----|
| 吃吧 | hek3 baa1 | eat |
|----|-----------|-----|

## Grammar Note 2

修一修 sau1 jat1 sau1 repair

This construction: **verb** 一 **verb** is also commonly used to soften a command.

Eg.

|     |                  |             |
|-----|------------------|-------------|
| 看一看 | hon3 jat1 hon3   | Have a look |
| 聽一聽 | ting3 jat1 ting3 | Listen!     |
| 笑一笑 | siu3 jat1 siu3   | Smile!      |
