最好的	zeoi3 hou2 dik1	the best
禮物	lai5 mat6	present

Today is my birthday

In the morning, Dad and Mum said to me: “wishing you a Happy Birthday!”

When I got to school, I also received many greets from my teacher and classmates.

In the evening, Dad and Mum even prepared a sumptuous dinner for me.

My Mum and Dad’s love, the good wishes of my teacher and classmates are the best birthday present.
